### **Arctic Glacier Premium Ice Expands In New England with Acquisition of Getchell Bros. Inc.**

**Philadelphia, PA and Bangor, ME, October 28, 2021**—Arctic Glacier, LLC, a leading provider of premium ice products and related services announces today the acquisition of [Getchell Bros. Inc.](#), the leading producer of quality packaged ice and dry ice for customers throughout Maine, New Hampshire and Massachusetts. The transaction strengthens the North American ice company's ability to serve retail customers and commercial businesses throughout New England.

"We are pleased to welcome the customers and Associates of Getchell Bros to the Arctic Glacier team. Joining forces with Maine's premier provider of quality packaged ice demonstrates our ongoing commitment to secure the best resources to effectively serve North American customers," said Richard Wyckoff, CEO and President of Arctic Glacier, LLC.

Since 1888, the family, veteran-owned Getchell Bros has proudly delivered [IPIA certified packaged ice](#) to the grocery, convenience and liquor stores of Maine. Today, Getchell Bros operates a high-capacity production facility in Sanford, ME and another modernized production facility in Bangor, ME with additional cold storage capacity.

"For over 130 years Getchell Bros has adapted to the times to provide the best service and quality ice products for our customers and opportunities for our employees. Combining our resources and expertise with Arctic Glacier, a long-time strategic partner and leading ice manufacturer and distributor in North America is a natural next step," said Doug Farnham, President of Getchell Bros.

The acquisition of Getchell Bros in Bangor, ME follows the September acquisition of Diamond Ice in Stockton, CA, a leading provider of packaged ice and snow event services to customers in the Pacific Northwest. The combination of the two transactions further builds on Arctic Glacier's annual ability to produce and deliver 2.5 billion pounds of certified, food-safe packaged ice to customers across the United States and Canada.
