Arctic Glacier Announces Acquisition of North Star Ice Alongside Opening of New Production Facility

PHILADELPHIA & WINNIPEG, Manitoba- May 13, 2022—[Arctic Glacier, LLC](#), a leading provider of premium ice products and related services, announces the acquisition of North Star Ice Ltd. of London Ontario alongside the grand opening of a new state-of-the-art production facility in Montreal, Quebec. The transaction and new Montreal facility further enhances the North American ice company's longstanding presence as Canada's largest ice manufacturer and distributor.

"North Star Ice has an outstanding reputation for customer service and quality products. We are excited to continue their legacy and warmly welcome North Star Ice Ltd. customers and Associates to the Arctic Glacier team," said Richard Wyckoff, CEO and President of Arctic Glacier, LLC.

Owned and operated by the Smibert family, North Star Ice Ltd. has proudly produced and delivered quality packaged ice products to the retail grocery, hospitality, and recreation industries of Ontario since 1954. "As we step away from the ice industry, we are confident Arctic Glacier's depth of resources and recognized industry leadership will deliver the highest quality of product and service to our customers," said John Smibert, Vice President North Star Ice Ltd.

Over the course of their 140-year history, Arctic Glacier has grown to be Canada's dominant provider of premium packaged ice. From their 15 Canadian locations, the ice company provides their premium packaged ice to the grocery, convenience and gas stores, events, hospitality, recreation, and commercial businesses of Canada's largest provinces. In late May, Arctic Glacier's new Montreal facility will begin production, further enabling the ice company to meet the future demands of Canada's growing market.

ABOUT ARCTIC GLACIER, LLC

Arctic Glacier is a North American provider of premium ice products and services. For over 140 years the company has been **Bringing More to the Party!**[™] by perfecting the ice making and DSD (delivery) process to provide the purest, most high-quality ice products.
